Message from the Captain

I am delighted you have chosen to join, or to continue your membership of, Midlothian County Ladies Golf Association (MCLGA). We currently have approx. 400 members who all join for various reasons. We have many competitions and a couple of League/Sections for Team participation and I'm sure you will enjoy participating in some or all of them. The golf within Midlothian Ladies can be for competitive or social reasons and this will be different for each individual. Players will get the chance to play other courses within our area throughout the year and meet many other golfers along the way too. Being a member of the County brings a different dimension and benefit to your golf, providing additional enjoyment to that of Club membership. I hope you enjoy being part of Midlothian and continue to participate in County golf and hopefully get involved in future years.

Communications

The [website](#) is the main hub for all things MCLGA and is kept up to date throughout the season. All the news published on the website in a week is sent out in a [weekly newsletter](#) via email on a Tuesday evening. Please ensure you sign up for this. We also have a [Facebook page](#) to follow Midlothian County Ladies Golf Association. For any other communications please contact your [Club Representative](#). Club Representatives' names and a handy link to email them is under the About MCLGA menu on the website and accessed [here](#).

Important

If you change your email address or contact details, please let the Secretary know by emailing secretary@mclga.com

Competitions

MCLGA competitions are open to all amateur full (including junior and student) members of MCLGA holding a WHS Handicap Index.

Associate members may play **only** in the following competitions:

- Winter Foursomes Hole and Hole
- Greensomes Matches
- Biennial Tri-am
- Biennial 9 Hole competitions

The Terms for all Competitions can be accessed on our website [here](#). We would recommend you read these as they contain important information about eligibility and participation.

Our online calendar provides a list of all MCLGA competitions together with a range of other events. You can access the calendar [here](#) and then browse events either via the month-by-month view or select 'See List View' at the top of the screen.

This year's competitions and dates are as follows and further information on each is provided below:

	Winter Foursomes	Enter: Late Sept	Runs over winter

* The Spring Meeting is also the County Championship and B Championship qualifier.

Meetings

We run three stroke play meetings per year: Spring, Summer, and Autumn. Each of these has Scratch and Handicap prizes. There are also Aggregate prizes for those who play in all three meetings.

County Championship

The Spring meeting is the qualifier for both the **Championship** and the **B Championship**. The matchplay is played over two days.

The players who qualify for the **Championship matchplay** will be the 16 players who have indicated on the day of the Spring Meeting that they are available for the Championship matchplay returning the 16 lowest gross scores at the Spring Meeting.

The players who qualify for the **B Championship matchplay** will be the 8 players with a Handicap **Index of 13.0 and above**, who have indicated on the day of the Spring Meeting that they are available for the B Championship matchplay, returning the 8 lowest gross scores at the Spring Meeting.

Commonwealth Spoons

This is a foursomes stroke play competition, open to all County full, student and junior members. The pairings may consist of players from different home clubs but both players must be County members.

This competition is run as a qualifying competition for the Scottish Final organised by Scottish Golf, to compete for the Commonwealth Spoons donated by the Australian Ladies' Golf Union. 10% of the field will qualify for the Final, the date of which can be found on the Scottish Golf website.

Knockouts

We run two knockout competitions per year: the Summer Hole and Hole and Winter Foursomes. The Summer Hole and Hole is a singles competition and has a Silver (Handicap Index of 17.9 and below) and Bronze (Handicap Index of 18.0 and above) Divisions.

Biennial 9 Hole and Tri Am

We run a biennial 9 Hole competition and Tri Am. We request a Club Representative from the Committee to organise and run the biennial Tri Am and this has been undertaken successfully for a number of years. We are extremely grateful for all the hard work and effort, that goes into this and for the funds raised for the County.

Five a-side and Greensomes Leagues

We also run a Five a-side and Greensomes League for members. The Five a-side league has two Divisions with Clubs being promoted and relegated between Divisions at the end of the season. The Greensomes League has two Sections and clubs alternate between the sections to ensure there is variation each season. Further information can be accessed [here](#).

Associate members can only play in the Greensomes League, Full members can play in either or both.

Please contact your Club Representative if you would like to play in the league team for your club. If you are a member of more than one club, you must nominate the club you are going to play for at the start of the season. You can play in Five a-side for one club and Greensomes for another.

Terms of Competition (Rules)

Please review the [Terms of Competition](#) for the competitions and leagues on the MCLGA website.
